

Who You Serve

Identity meets the market. Choose the person. Lock it in. Send one signal.

SESSION ARC · 90 MINUTES

01 Opening Frame

5 to 10 min

Bridge review. Participants share what happened when their nine words touched the world. What did the response reveal about where their magnet is strongest?

02 Teaching

15 to 20 min

The Who You Serve framework. The eight audience types, how to build an ideal client from your nine words, and why specificity is a leadership decision rather than a marketing tactic.

03 Silent Work

15 to 20 min

Work the worksheet independently. Client audit, the ideal client build across six questions, the matching moment against your positioning statement, and the audience fit map.

04 Live Coaching

20 to 25 min

One or two participants build their ideal client out loud with the coach. Watch for the shift from type to person. That is the moment the work becomes real.

05 Commitment

5 to 10 min

Each participant reads their ideal client description aloud. Complete your Post Session Commitment form today. One signal into the world before Session 4.
