

Choose Your Lane

Commit to where you go deep first. Name it. Own it. Stop the rest.

SESSION ARC · 90 MINUTES

01 Opening Frame

5 to 10 min

Bridge review. Participants share the signal they sent after Session 3 and what came back. Who responded? What did the response point toward? Real evidence before the commitment.

02 Teaching

15 to 20 min

The Choose Your Lane framework. The eight lanes, what depth in each one produces, and why choosing one does not close the others. The magnet does not change. Only the stage gets bigger.

03 Silent Work

15 to 20 min

Work the worksheet independently. Three signals reviewed, the lane named with the reasoning behind it, and an honest account of what you are setting down to commit to it. Say your lane out loud first, then write it.

04 Live Coaching

20 to 25 min

One or two participants name and commit to a lane out loud with the coach. The resistance surfaces here. Financial fear. Not feeling ready. The group watches the commitment happen in real time.

05 Commitment

5 to 10 min

Each participant reads their lane declaration aloud. Complete your Post Session Commitment form today. One move inside the lane before Session 5. Not strategy. Action.

SESSION FOCUS

Confirming the conclusion

You are not making a new decision today. You are confirming what your nine words, your ideal client, and your bridge reflection have already pointed toward. Eight lanes. One commitment.

YOUR OUTPUT TODAY

Your Lane, Declared

The lane named and locked. Why you chose it. What you are stopping in order to hold it. One move inside your lane before Session 5. Offer structure and vision come later. Today is the lane and nothing else.

BEFORE YOU CLOSE THE TAB

Save your worksheet and keep it. Nothing is uploaded. Complete your Post Session Commitment form in the portal today.
